Hilary Jursa

UX DESIGNER

Creative and user-centric UX Designer skilled in user research, wireframing, prototyping, and usability testing. Demonstrates a solid foundation in visual design and a passion for solving complex design challenges

EXPERIENCE

UX/WEB DESIGNER FREELANCE

2023 - Current

Creating user-focused and visually compelling websites for small businesses. Exercising user research, wireframing, prototyping, and front-end development, with a strong command of tools such as Figma, Adobe XD, and AI. Collaborate with clients to understand their vision and deliver tailored solutions that enhance user satisfaction and drive business success. Adobe Creative Cloud, Figma, Wix, Squarespace, AI

SERVICE DESIGNER BOB'S PIZZA

2019 - Current

Family owned and operated business in which I aided in building the first location from concept to design and operations. I continue to contribute to the design and growth of our now four locations and future spaces. Effectively design and optimize end-to-end service experiences that meet the customer's needs and business goals. Enthusiastic about enhancing customer satisfaction through thoughtful and strategic service design.

OWNER ACROSS THE STREET

2021 - 2023

Sole owner of neighborhood convenience store. Independently built, designed, ran daily operations, and maintained fiscal responsibilities.
